

Consider approval of
furniture purchase for New Central Office and Professional Development Building

1. Background

The New Central Office and Professional Development building is scheduled for completion in October 2025. The District staff will be procuring and providing new furniture for the entire building.

2. Process

District staff interviewed and compared the furniture products of multiple furniture vendors. After that review, district staff is recommending we purchase the new furniture from Texas Wilson under their Buyboard Contract 767-25. Texas Wilson provides the best value for the District.

3. Fiscal Impact

The furniture purchase will be in the amount not to exceed \$_____. This purchase will be funded by 2023 Bond funds.

4. Recommendation

It is recommended that the Board approves the purchase of the new furniture from Texas Wilson at a cost not to exceed \$_____ for the New Central Office and Professional Development Building.

5. Required

Board action.
