Mrs. Summons,

This letter serves to officially notify you that at the conclusion of the 23-24 school year, Pulaski County Special School District will rescind its charter and all waivers associated with its charter for the DRIVEN Virtual Academy (DVA). During its existence, DVA was able to meet the unique needs of our district's students and their families. Hence, we have benefited significantly from the conversion charter. Note that we genuinely appreciate the support your office has provided during this time and remain confident that Pulaski County Special School District will continue to provide a quality education to students throughout our district in uniquely personalized, inspiring, and impactful ways.

Sincerely,

A handwritten signature in blue ink, appearing to be "C. McNulty", is written over a large, light blue oval scribble.

Dr. Charles McNulty
