May Celebrations

Teacher Appreciation Week

Last week we celebrated our amazing WAWM staff and the impact they make on the lives of students each and every day. Their dedication, compassion, and commitment to excellence help shape the future of our schools and community. We would also like to thank the many organizations, businesses, families, and community groups who generously provided meals, treats, gifts, and messages of appreciation throughout the week.

• HAPPY •
Mother's Day

Thank you to all the moms and mother figures who lead with love, support learning, and inspire every day.

We appreciate you today and every day.
