Dear Sir or Madam,

This letter is to inform you that I will be resigning from my position as a Reading Intervention Tutor at Irving Elementary School. My last day at Irving Elementary School will be Friday, October 30th, 2015. I have recently accepted another teaching position in another district.

Thank you for giving me the opportunity to work for the Derby Public Schools, as I have enjoyed the time spent within the district. Please contact me if there are any further inquiries.

Thank you,

Laura Raynor
