## CCSD Board Report Special Education November 2023

Following the October count period, we currently have 44 students with an IEP in Craig brick and mortar and 63 PACE students with an IEP. We currently have 5 approved Intensive students and have submitted 1 additional student for funding consideration. We have identified an additional student that may qualify as Intensive for next year's count.

Next Level Speech Therapy is currently serving 36 students in Craig and PACE with Speech services. PACE has 3 referrals for Speech evaluation and Craig has 3 referrals, 2 from Head Start and 1 from CES.

Upcoming events related to Child Find are vision and hearing screenings at CES, CMS, and CHS. Speech para, Amanda Vickers, has been helpful in this endeavor. Thank you, Amanda. Planning for Pre-K school readiness screenings is currently ongoing with anticipated timeframe of Mid-February to Mid-March.
