ACTION

BACKGROUND INFORMATION:

State statute requires the school board must approve of the disposal of capital assets of the school district.

As part of the athletic complex we are purchasing (with the assistance of Amarillo National Bank) a new scoreboard, making the old scoreboard obsolete.

Because of the age and the condition of the old scoreboard, it is doubtful that it retains any value. We will attempt to either donate it to a non-profit profit group such as Kids Inc. or we will simply dispose of it.

BOARD ACTION REQUESTED:

We request that the Board give the administration permission to dispose of the old football scoreboard as described above.
