

# Action Sheet

**MEETING DATE:** June 17, 2020

**AGENDA ITEM:** Consider Resolution relating to adjusting the annual physical examination requirements under Board Policy FFAA(LOCAL) for the 2020-2021 school year.

GISD Board Policy FFAA(LOCAL) provides that:

*UIL Participation: A student desiring to participate in the UIL athletic program shall submit annually a statement from a health-care provider authorized under UIL rules indicating that the student has been examined and is physically able to participate in the athletic program (10-10-2017).*

The University Interscholastic League has recommended, due to concern for student athletes and the current stress on the workload of the medical professionals on the front lines of the COVID-19 pandemic, that the current expectation for Pre-participation Medical History forms Section 1205(a) and Section 1478(d) be amended for the 2020-2021 school year.

Students will be screened in lieu of the annual physical, with consideration for additional screening and examination if answering "yes" to any of six questions on the PPE.

**RECOMMENDATION:** I move the GISD Board adopt the Resolution relating to adjusting the annual physical examination requirements under Board Policy FFAA(LOCAL) for the 2020-2021 school year.
