

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Curriculum:

Updates on 2025 School Report Card and IXL - Since students completed the Math and ELA flex diagnostics last month, Administration has met with teachers and teams about student data and growth objectives. We will continue to meet with staff and problem solve interventions for WIN (What I Need) Time and reflect on instructional practices. The official school report card will be released at the end of this month, however, administrators are given a sneak peek to check the report card dashboard before it is officially released. RGS has been designated as Commendable for the 24/25 school year, however since we are in the 4 year School Improvement Plan cycle, we will continue to work on our goals throughout the next several years.

Celebrations:

Student Council Penny Wars: Grades Kindergarten through fifth grade participated in collecting pennies, nickels, dime and more to see who was the penny wars winner. This year RGS students collect almost \$500 to donate to Stardust Animal Sanctuary in Richmond. This year's class winners were 2nd grade.
