Notable Highlights:

- Veteran's Day Program - Student Council Helped with Presentation
- GT Parent Meeting was a success - large crowd
- Junior High UIL practice has started - Dec. 3rd is competition
- CTE Fair put on for JH students during their lunch period. Students from High School CTE classes came over, set up display tables and gave presentations on different career opportunities as well as classes they might take in high school.
- Thanksgiving Lunch was very successful.
- Renaissance Fair was a great addition to our Thanksgiving Celebration. Mrs. Schwandner does a superb job of collaborating with many of our courses and instructors with projects, experiments, research, and so much more. This has become a district wide learning experience for all grade levels as well as our community.

Principal's General Narrative:

Junior High is a very busy place and a wonderful place to be. Our teachers are busy preparing lessons that enrich and invite our students into an environment of learning. Students are busy as well from learning as much possible from their teachers, to sports, to getting ready for a Winter Wonderland Dance. Yes, you read correctly. I might be crazy but our Junior High students are preparing for their first dance of the year. I feel that it is important for our students to learn and be involved in proper ways to interact socially. There is ohhh so much to learn from participating, planning and going to a Junior High Dance. I look forward to it as well as I know our students do too. We have many activities on our schedule as the semester is coming to a close in only 3 short weeks.

Respectfully,

Christy Price
