Metro C5 4 Series Insulation Armour™ Plus Heated Holding Cabinets

- **Insulation Armour™ Plus:** Patented insulation technology replaces traditional sheet metal exterior with foamed-in-place polyurethane polymer panels, providing improved energy efficiency at a lower initial investment. Armour panels have molded in handles and act as a full body bumper for improved handling and protection in mobile applications.
- **Stainless Steel Construction:** High quality, Type 304 stainless steel for easy cleaning and long-term durability.
- **Top-Mounted Controls:** Ergonomic user-friendly controls are mounted at the top of the cabinet for improved access and readability, to prevent damage, and easy cleaning.
- **Performance:** Forced convection design gently circulates hot air for improved temperature consistency. Heat is channeled to the bottom of the cabinet, allowing it to rise naturally without it blowing directly over the food. Thermostatically controlled, 200°F (93°C) maximum operating temperature.
- **Configurations:**
 - **Sizes:** Full height, 5/6 height, 1/2 height, and under counter.
 - **Doors:** Solid insulated or clear insulated. Full height with full length or dutch style doors.
 - **Slides:** Two slide styles provide maximum holding capacity. Universal slides are adjustable on 1½" increments and hold 12" x 20" steam pans, 18" x 26" sheet pans, and GN pans. Lip load slides exclusively hold 18" x 26" sheet pans on 1½" fixed increments.
- **Power:** Available in 120V, 60Hz or 220-240V, 50/60Hz electrical configurations.
- **Reliability:** Reliability and durability are designed from the ground up. High-quality components provide a long life of worry free use.
- **ENERGY STAR:** Full height, 5/6 height, 1/2 height, and under counter models with solid doors are ENERGY STAR.

C5 4 Series Insulation Armour™ Plus Heated Holding Cabinets

Specifications

- Cabinet Material:** Type 304 stainless steel, 20-gauge cabinet body with High Density Polyethylene (HDPE) exterior.
- Insulation:** Insulation Armour™ Plus HDPE polymer panels with 2" thick CFC free foamed-in-place polyurethane insulation. High density fiberglass insulation on top (3" thick) and bottom (1 1/2" thick).
- Casters:** Plate mounted, 2 swivel and 2 swivel with brake. 5" (127mm) diameter donut neoprene wheel on full, 5/6, 1/2 height units. 2" (51mm) diameter polyolifin wheel on under counter units.
- Doors:** Type 304 stainless steel, 20-gauge insulated, welded doors. Field reversible, 180° swing. Solid doors fully insulated with 2" thick high density fiberglass insulation. Insulated clear doors are double-pane tempered glass and argon filled with Low-E coating.
- Door Latch:** Chrome plated, high-strength flush mounted magnetic latch with lever-action release.
- Door Gaskets:** High temperature, door mounted, Santoprene gasket.
- Door Hinges:** Type 304 stainless steel, 11-gauge heavy-duty pivot hinge with welded pin.
- Universal Wire Slides:** 1/4" (6.4mm) diameter nickel-chrome electroplated wire, adjustable on 1/2" (38mm) increments. Type 304 stainless steel uprights
- Lip Load Slides:** 1 1/2" x 1/2" x 0.063" (38mm x 13mm x 1.6mm) extruded aluminum channel slides, fixed on 1 1/2" spacing, riveted to .063" aluminum uprights.
- Heat Generation System:** Thermostatically controlled 1360W heating element, ball bearing blower motor, and ducted air system.
- Cord:** 7 1/2' power cord with NEMA 5-15P plug end for 120V, NEMA 6-15P plug end for 220-240V. Factory mounted on top (full, 5/6 heights) or back (1/2 height, under counter). Mounting is field reversible without re-wiring.
- Clearance Requirements:** 18" (46cm) away from any cooking equipment. AVOID contact with any surfaces that exceed 200°F (93°C). Recommended minimum clearance from enclosures is 1 1/2" (38mm) on sides and rear, 6" (152mm) on top. Minimum 1/2" (13mm) clearance above under counter units is required.

TERMS: Upon receipt of application for business account, signed quote/purchase order and review by the credit department, the down payment and terms will be established and shared with the customer and account executive. Stafford-Smith reserves the right to progress bill for equipment as needed. This includes items shipped by the manufacturer to Stafford-Smith for storage and is not conditional upon being installed, mechanically connected or operational. You are welcome to inspect all stored materials.

Stafford-Smith, Inc. shall retain security interest in all equipment, parts, small wares, accessories, attachments, additions, and any replacements of the above that have been installed, affixed to or used in connection with the items specified in this proposal until all amounts have been paid.

Should the Buyer sell or otherwise dispose of such collateral in violation of the terms of this agreement, Stafford-Smith, Inc. retains an interest in the proceeds from such transactions. Buyer authorizes Stafford-Smith, Inc. to file a financing statement describing the collateral and a copy of this agreement and/or the credit application may be filed as a security agreement for granting a secured interest in Buyer's inventory and sales proceeds thereof.

Past due amounts constitute a default and are subject to service charges of 1 ½% per month, collection costs, and attorney fees. Warranties are conditioned on your paying the full purchase price for the equipment.

In addition to non-payment, an act of default by the buyer will have occurred if the buyer fails to accept the order of goods or fails to perform any other covenants under this agreement. In the event of default, Stafford-Smith, Inc. may enter any business property and without breach of the peace take possession of any or all collateral and exercise our rights in the event of default of a secured party as specified under the Uniform Commercial Code. Should any disputes arise, Buyer also acknowledges and submits to jurisdiction in the State of Michigan and County of Kalamazoo.

Except as otherwise provided herein, this proposal does not include any applicable State or Federal taxes, any charge for electrical wiring or plumbing and is subject to acceptance by buyer and seller within thirty (30) days from the date of this quote and only in accordance with the terms stated.

When ordering drop-ship equipment, please be aware to inspect your order immediately upon receipt. You may request the driver wait, for a reasonable amount of time, while you inspect and they must comply to your request. If the driver refuses to wait, please mark the receipt "driver not willing to wait" and contact Stafford-Smith within (48) hours in order for a claim to be filed. If there is damage, you may refuse or you can accept and note the damage. Please take photos, if possible, to assist in filing the claim. You must keep all original cartons, even if you accept the damage, so Stafford-Smith can pursue a freight claim on your behalf. Please send the bill of lading and any additional documentation to your Stafford-Smith representative.

If you don't have time to inspect when delivered, you have up to (48) hours to inspect and notify us

immediately if there is an issue so we can address the best way to handle the claim. If not notified within (48) hours, your claim may not be valid.

Effective 2-1-22 we will be implementing a 3.5% surcharge on credit card transactions. As an alternative we also accept ACH, ECheck and wire transactions and you can pay directly from our website.

I agree to the terms hereof and offer to purchase described goods and services as proposed hereby.

All quotes are subject to all applicable Sales and Use Taxes in effect at the time of delivery based upon destination.

Terms and Conditions

Contracts

To the extent that the parties enter a separate written contract, the terms and conditions below will apply to the extent permitted by the respective provisions of the contract. Where the underlying contract is silent as to the provisions below, the provision below will apply in their entirety.

Quoted Prices

Quoted prices are valid for 30 days from the date of the quote, subject to the paragraph directly below. Sam Tell reserves the right to adjust pricing as necessary after the 30-day period.

During periods of unpredictable market and economic based supply chain disruption beyond Sam Tell's control, unexpected and immediately effective price increases (inclusive of raw materials surcharges) can apply to quoted materials from Sam Tell's vendors for this project. In these instances, Sam Tell reserves the right to adjust affected pricing herein by a rate not exceeding the documented increase rate from the vendor. Notifications from Sam Tell's vendor will be forwarded along with a quote with updated prices.

Payment Terms

A deposit of 50% of the order total is required upon signing of the quotation/contract. Equipment and opening orders will not be placed prior to receipt of said deposit and receipt of signed quotation/contract. The balance shall become due prior to delivery of equipment or merchandise to the project or designated delivery location. Payment must be received prior to the scheduling of delivery and installation. Please allow a minimum of 7 days for scheduling. Payment delays will result in delivery delays.

All accounts are considered prepaid unless prior arrangements have been made with our Credit Department.

Title

Title to goods shall not pass until payment of all amounts stated are received, credited, and cleared in full. The buyer agrees to permit Sam Tell & Son, Inc. (Sam Tell) to file a UCC-1 claim with the appropriate City and State agencies without signature. The buyer's signature to this agreement shall constitute authorized signature to a UCC-1 filing.

Custom Fabrication Lead Time

All custom fabricated equipment will have a standard production lead time, subsequent to final approval of shop drawings and this lead-time can range from 8 to 24 weeks.

Specification and Workmanship

All material is guaranteed to be as specified. All work is to be completed in a professional manner according to standard industry practices. Any deviations or changes in the above specifications and cost will be executed upon written change orders.

Buyer's Obligations

The Buyer's obligations include efficient project coordination, including scheduling a full and productive day's work for Sam Tell installation and delivery staff. If Sam Tell staff and resources remain idle as a result of lack of Buyer's coordination, partial deliveries requested by the buyer or resulting from buyer's non-compliance, partially requested workdays by the buyer, relocating and reinstalling equipment because the site is not ready, the installation shall be subject to extra charges.

Project Delays/Delivery Cancellations

In the event that the buyer delays delivery for more than 15 business days beyond the agreed upon delivery date, payment of the total outstanding balance associated with such delivery will become immediately due and payable. Sam Tell reserves the right to impose storage fees and the buyer assumes the obligation for such fees caused by such delays.

In the event of a delivery cancellation, if the equipment order has already been loaded onto a truck and set for delivery, there will be a cancellation fee of up to \$2,400 to cover costs associated with labor and equipment utilization.

Our Service/Set in Place

Set-In-Place includes: the uncrating and/or placement of new food service equipment including, custom fabricated stainless-steel equipment and other equipment as noted within this quotation/contract, locating, and leveling the equipment as per plan, ready for utility connections (final connections by others). All packaging materials will be removed from the equipment and from the site.

Basic set-in-place services exclude (but not limited to) all of the following, unless specified otherwise in this proposal: s/s wall sheets, ceiling hung mechanical assemblies such as fans and air scrubbers, ceiling hung refrigeration racks, millwork, stone, solid surface materials (Corian etc.), owner furnished equipment, alterations, relocation or removal of existing equipment, mechanical hook ups, remote refrigeration, fire suppression systems, beer & soda systems, remote beer or other beverage conduit runs, startups and demonstrations, purchase of trim metal, custom or unusual hardware, laborers, cleaning, composite unloading, seismic restraints, core drilling, overtime, elevator, hoist, rigging and crane fees, permits and filing, coordination and job meetings, fees and time for safety orientation, drug testing and fire watch, security inspections and inventory procedures.

Warranty Coordination

Sam Tell will assist with the placement of any service calls during the equipment warranty period. Buyer may be required to submit credit card information to respective service agency for certain warranty calls; Sam Tell is not responsible for providing a credit card.

Service bills that are generated as a result of non-warranty service calls, either as a result of owner misuse and/or abuse or owner provided utility work, will not be covered by Sam Tell and will be billable to the client.

Upon expiration of the warranty period of the equipment, the client will arrange all equipment repairs directly with their preferred service company.

Insurance

Our practice is to provide insurance certificates which include our standard coverages and limits. Additional requests beyond such industry standard limits and policies will be subject to additional charges.

Late Fees, NSF Checks and Legal/Collection Costs

Sam Tell reserves the right to assess late charges of 1.5% per month on past due balance. In the event your account is placed for collection for nonpayment, the customer further agrees to pay all obligations, including but not limited to collection agency fees, attorney fees and court costs incurred by Sam Tell or its agents. Buyer will also be responsible for all NSF check fees imposed by our lending institution.

Governing Law

This agreement shall be governed in all respects by the laws of the State of New York. The Parties hereby consent to the jurisdiction of any New York State Court, or any Federal Court located in the State of New York in connection with any lawsuit commenced to enforce the terms of this agreement.

Returns

Items that Sam Tell maintains active inventory of are not subject to restock fees. Equipment restocking charges are at the discretion of the manufacturer and will include crating (where applicable), inbound, and outbound freight. Non-equipment items that Sam Tell doesn't inventory are subject to a restocking fee of 25%, plus the cost of inbound and outbound freight.

Custom items are not returnable. Should you wish to return an item, please call our customer service department. You will need to provide the following information:

- Invoice #/ Description of the item/ Reason for the return
- We will issue you a return authorization number

Damage and Short Shipments

Customers are expected to inspect all product at time of delivery and notate short shipments and/or damage on the respective bill of lading. Damaged product should be returned with our driver on the same day of delivery.
