Re: Athletic Director Report- April, 2018

Baseball:- Currently our baseball teams record is 10-1. They just got back from John Day, OR and won that tournament going 4-0. The JV team is playing well. The lost a tough one against Marsing's Varsity.

Softball:- Our Varsity softball team has a current record of 9-2. They have been playing very well thus far in the season. The JV team is rolling right now as well with a record of 6-3-1.

Track:- They are a little smaller in numbers this year, but have had two great meets and still have a lot of potential to do very well like last year. We are hosting the district track meet this year and are looking for volunteers to help out. If any of the board members would like to volunteer to help out please let Coach Ankeny know.

Tennis:- Tennis is getting better each week. Their league competition starts this week against Weiser.

Golf:- The varsity boys have played pretty well thus far, winning two tournaments. We also start league this week. We have two girls playing on varsity and one girl playing on the JV team. Next year we should have a full varsity girls team. Excited to see everyone's progression as we hit the busiest part of our schedule coming up in the next three weeks.

Other News: It appears the new concession stand is coming along nicely. It appears to be framed and now work on the interior is taking place.
