## **SUMMARY**

**North Bend School District is currently planning to offer summer learning opportunities for K-12 students.**

**A credit recovery program will be offered for 9-12th grade students, funded through our Student Investment Account (SIA).**

**Additionally, the District has applied for a summer learning grant, with funding decisions expected in April. If awarded, the district may offer additional summer learning opportunities at elementary and middle school levels. The grant focus is on ELA academic support, enrichment, and student engagement. Program details are still being considered and would depend on student needs, staffing, and available resources.**

**Dayna Cahill and Bruce Martin will offer additional details about the grant and focus of the programs.**

### **Strategic Plan Goal Alignment:**

Goal 1: Foundational Readiness for Success

Goal 2: Safe, Supported Connected, and Present

Goal 3: Continuous Growth and Academic Achievement

Goal 4: Equipped for Success Beyond Graduation
