

2024 - 2025 District Goals

Provide child-centered campuses that encourage all students to experience success

Improve student performance on assessments

Implement discipline plan in a manner that changes behavior

Teach students financial literacy

Promote physical, mental and emotional health

Implement additional security protocols on all campuses

Ensure full continuum of services for all student programs

Recruit, challenge, develop and retain qualified and productive staff who model an atmosphere of excellence

Monitor teacher incentive pay program

Continue to offer developmental academies

Foster community involvement

Provide for the growth and ever-changing demographics of Princeton ISD
