### **3F. Report**

**TO: BOARD OF SCHOOL TRUSTEES**

**DATE: May 10, 2004**

**SUBJECT: FIFTH SIX-WEEKS ATTENDANCE REPORT**

The attached report represents student attendance at each Keller ISD School for the fifth six-week period of the 2003-2004 school year. Attendance rates at all campuses continue to be excellent, most campuses at or above 96%. Parents, students, and staff should all be commended for their dedication to high quality education and regular attendance for all students. Much effort goes in to tracking student attendance and maintaining consistent communication with parents and students. Without the commitment of all involved, our goals of high attendance would not be attainable.

Highlights for the fifth six-week period include:

NDLC Increase of + 5.05

Hidden Lakes ES	97.71	South Keller IS	97.25
Park Glen ES	97.53	Keller MS	97.16
