Regular Meeting September 26, 2022

FOR DISCUSSION:

Subject: District Leadership Council

The Strategic Plan recommended the development of a District Leadership Council based on the feedback received in the data gathering process conducted by the District's consultants. The same group of staff has returned this year to continue their work into the 2022-2023 school year.

I have recently met with the group and will share with you the topics that were discussed during the meeting.
