

Independent School District No. 51
FOLEY ELEMENTARY SCHOOL
"Helping Students Succeed Every Step of the Way"

Adam Kluver, Principal

FES August 2025 School Board Update

PBIS at FES

The FES PBIS Team has been meeting this summer to plan some changes and improvements to our PBIS program for the upcoming school year. The team has been looking at how we can better track and use student behavior data, how we can better recognize and reward students who make positive behavior choices, and help students who are struggling with behavior.

Staffing

We are continuing to finalize our staffing for the upcoming school year for both teachers and educational assistants.

Thank You

A huge thank you goes out to our custodians for all their hard work preparing the school building and grounds for a new school year. The floors and walls are shining and ready for our students to return.
