

INDEPENDENT SCHOOL DISTRICT 283

SECTION/FILE 620 DATE OF ADOPTION 3.26.07 First Reading 11.12.25 TITLE Credit for Learning

I. PURPOSE

The purpose of this policy is to recognize student achievement which occurs in Post Secondary Enrollment Options and other advanced enrichment programs.

II. GENERAL STATEMENT OF POLICY

It is the policy of the school district to develop and provide processes and procedures by which students may meet a graduation requirement for a Minnesota academic standard, whether the school district offers the standard in its curriculum or the student accomplishes the work in another learning environment. The school district will provide a process for transfer of standards completed in another Minnesota school district and recognition of work completed in other schools and post-secondary institutions. The school district may also waive the standards for certain students if the criteria for such waivers are met.

III. POST-SECONDARY ENROLLMENT CREDIT

- A. A student who satisfactorily completes a post-secondary enrollment options course or program or on-line learning course or program under Minn. Stat. § 124D.09, that has been approved as meeting the necessary requirements, is not required to complete other requirements of the Minnesota Academic Standards adopted by the school district corresponding to that specific rigorous course of study.
- B. Secondary credits granted to a student through a post-secondary enrollment options course or program or on-line learning course or program shall be counted toward the graduation and credit requirements of a student completing the Minnesota Academic Standards.
- C. A list of the courses or programs meeting the necessary requirements may be obtained from the Department and/or school district.
