

Career and Technical Education Report

Will Milne | CTE Coordinator

Phases of CTE

ELEMENTARY SCHOOL

Career Awareness

- Pilot CTE kits for STEM campuses
- Career days
- Summer camps

MIDDLE SCHOOL

Career Exploration

- Begin CTE classes
- LaGrone tours
- Select a program of study

HIGH SCHOOL

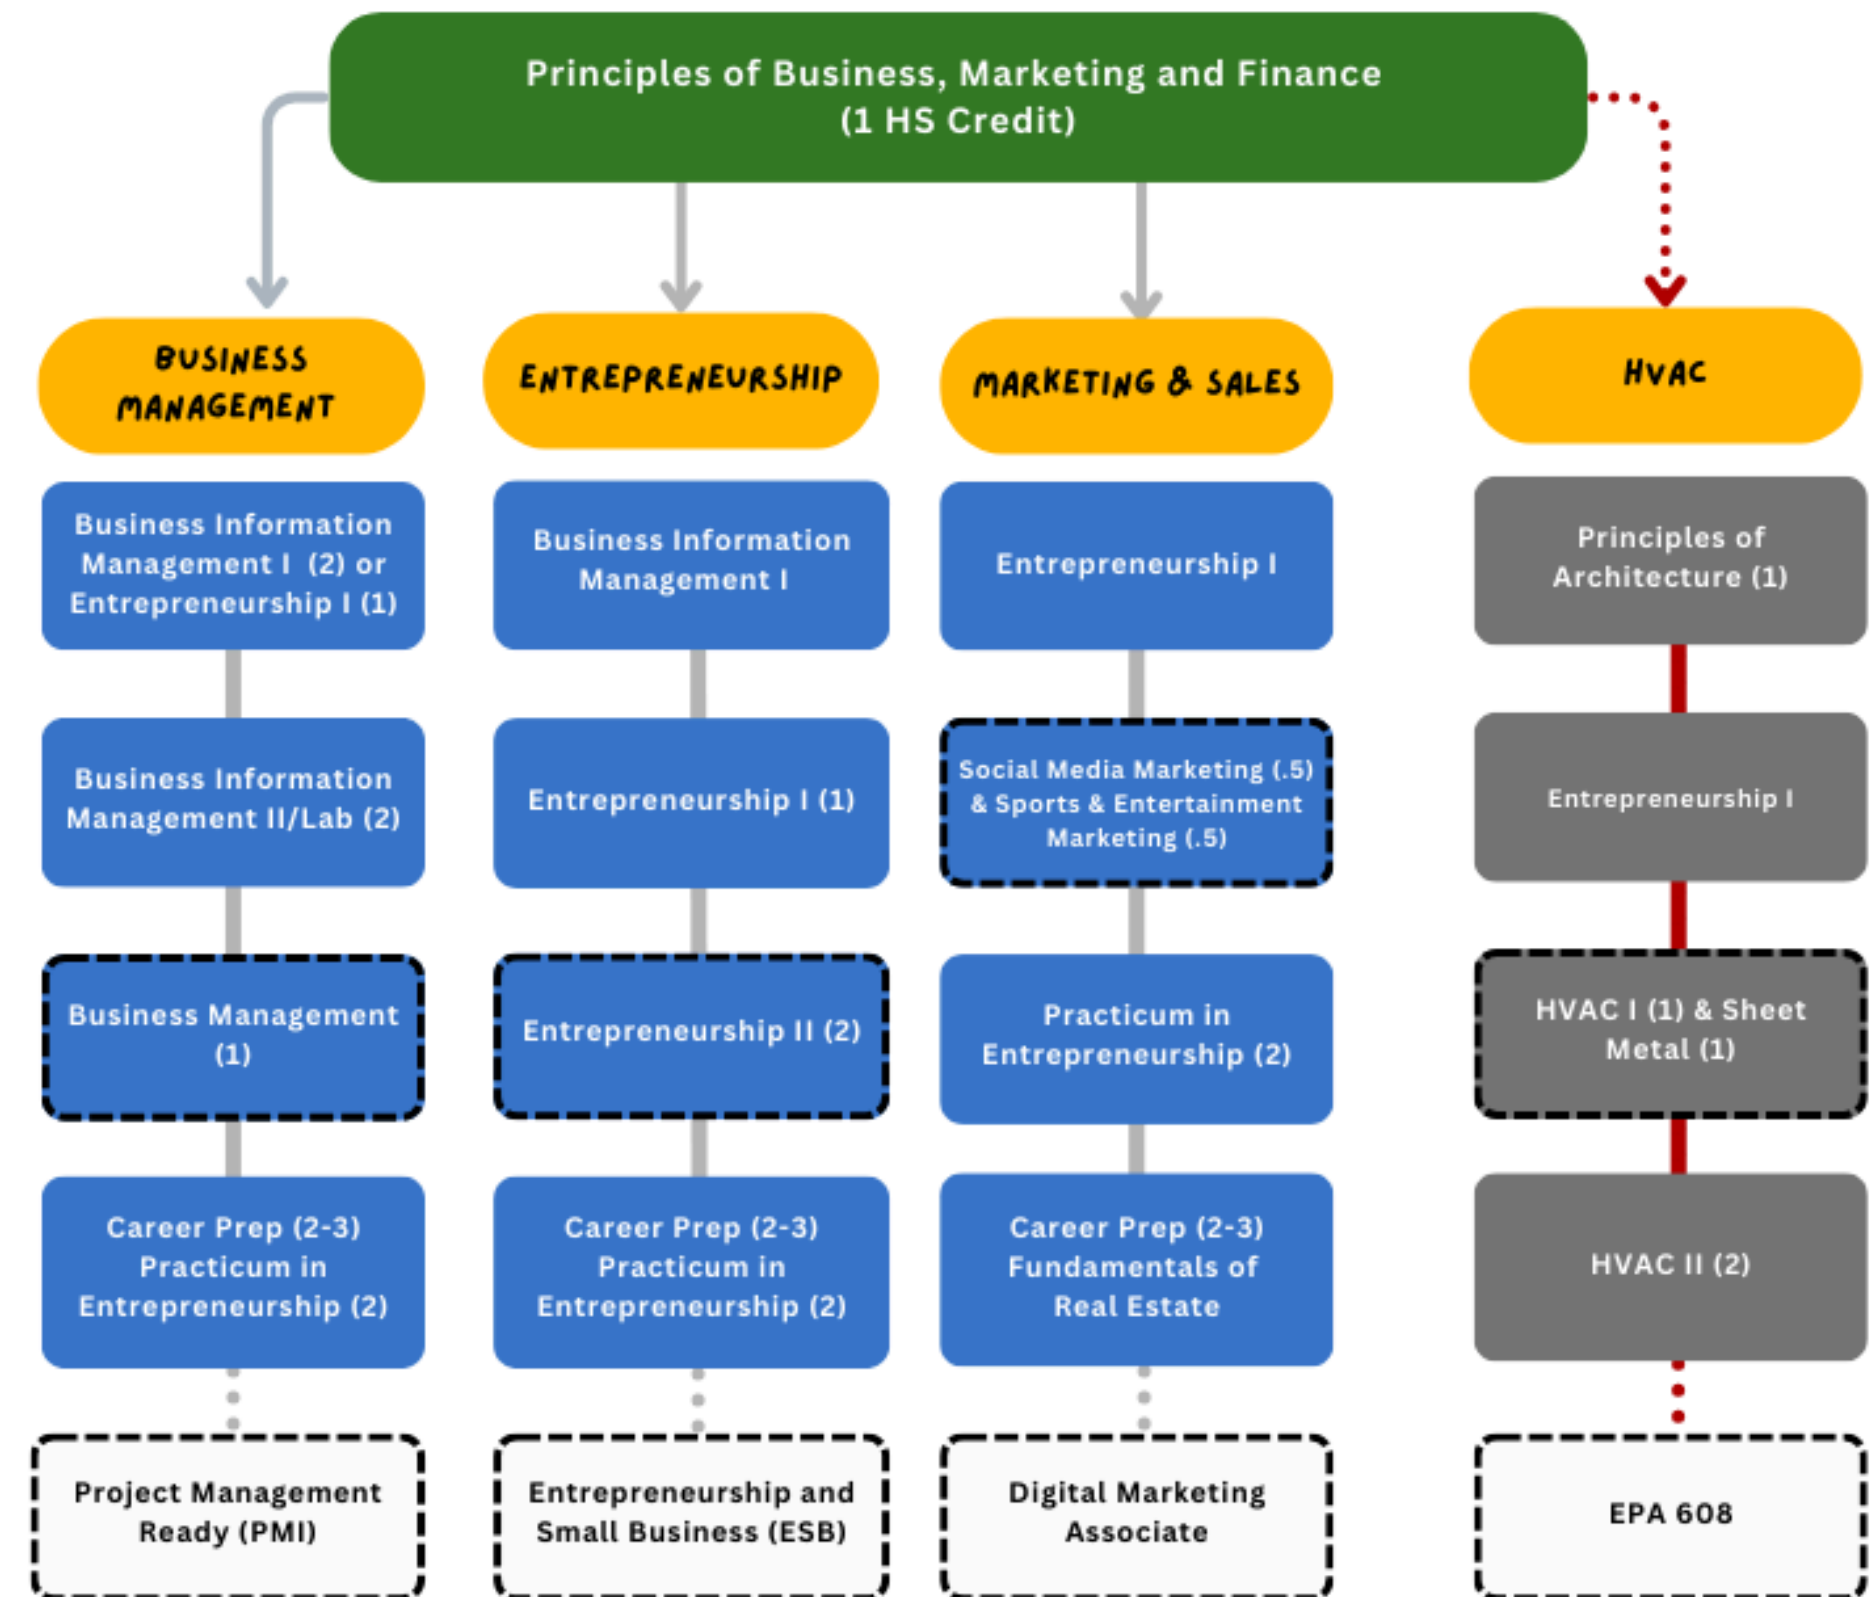

Career Experiences

- Work-based learning
- Student enterprises
- Industry tours
- Career fairs

CTE Programs of Study

- CTE Programs of Study now start in middle school
- Students choose from five Principles courses
 - Courses intentionally selected by course planning committee
 - Provides meaningful option to satisfy Texas Education Code 28.016
- Multiple on-ramps and off-ramps for flexibility

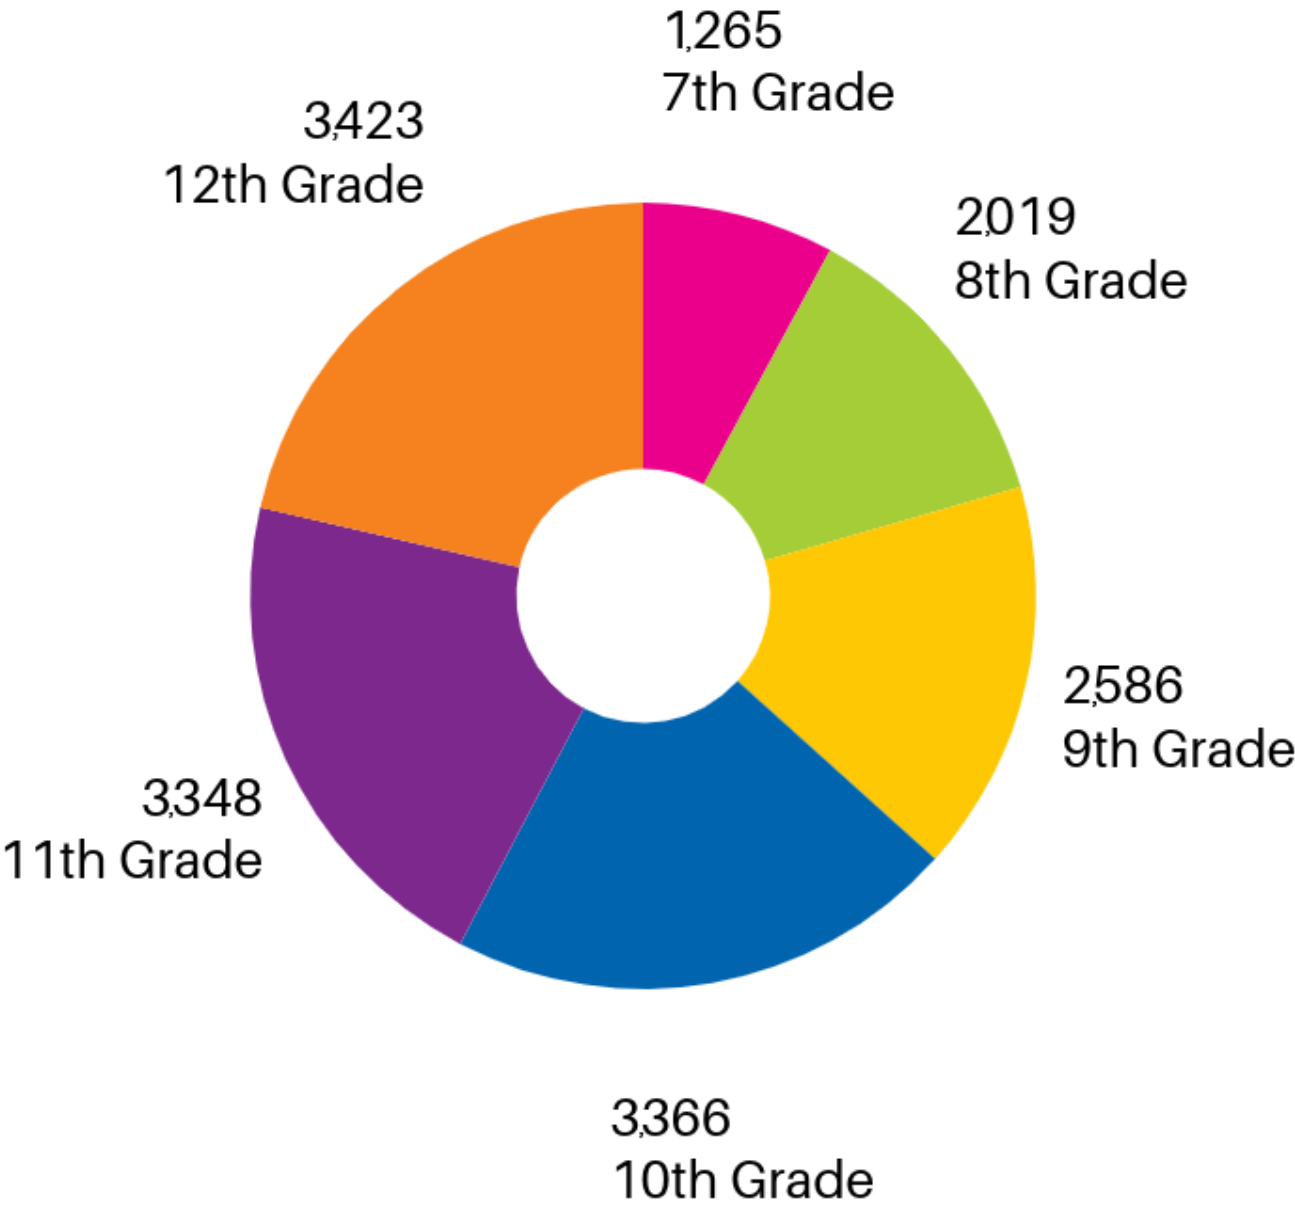

CTE Outreach & Engagement

- Seasonal Campaign: Structured outreach by semester
- Engagement Tools: Use of video, infographics, testimonials, and quick-reference guides to inform students and families
- Student & Program Spotlights: Regular features on student achievements and career programs of study
