

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 6/15/22 **Superintendent:** Dave Valenzuela

Administrator/Staff: Trinity Shodin

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Hidden Valley has the opportunity to travel to Indianapolis, Indiana in October 2022 for the National FFA Convention.

Provide history/background information on your proposal:

Hidden Valley has not sent a group of FFA members to National Convention in a handful of years due to many changes and adjustments, but we are finally to the point where our chapter is strong enough and ready for the adventure. National Convention takes place every Fall in Indianapolis, Indiana which allows for many industry tour opportunities so students can truly experience what agriculture in other parts of the country looks like.

List the advantages of your proposal:

Students will have opportunities to attend leadership and agriculture career workshops. FFA members will represent our state and community at the national level and bring back knowledge and skills to help make our FFA chapter and school a more productive and better place.

List possible disadvantages of your proposal:

The trip to National Convention is fairly expensive which will pose as a challenge for some FFA members, but this can be combatted through active fundraising and students could get financial assistance from our club account through work opportunities. Students will miss a few school days for this trip, but I will personally make sure my students are caught up and recover from the missed days.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Now that IVHS and NVHS also have FFA chapters, we could all travel the same dates to make sure we have plenty of chaperones and housing for all of our Three Rivers FFA members.

Superintendent's recommendation(s):

Approve: **Yes** **No**
