

# 2026-27 Virtual Learning

December 8, 2025

Students' needs are the center of our learning community.

# Background:

- SB 569 created new virtual options under TEC 30(B).
- The district has been discussing and exploring the different options afforded by TEC 30(B).
- Neighboring districts are beginning to announce new virtual and hybrid options for the 2026-27 school year.
- We have had steadily growing demand for online courses in LISD over the past decade. We want our students to continue to choose LISD!

# Historical Perspective

- What LISD has historically offered through Virtual Learning Academy:
  - High school students can take up to 3 credits of their schedule as virtual courses. Virtual class cannot be scheduled 2nd period.
  - Students are limited to no more than 2 virtual credits in a single semester.
  - Our course catalog focuses on junior and senior-level offerings with additional courses available from non-LISD providers through the Texas Virtual Schools Network.
  - Record demand has required us to close many courses as full in recent terms.

# Online Course Offerings

- LISD currently has 40 courses in our district-created virtual course catalog that operates on the Texas Virtual Schools Network. These courses are available to LISD students and students across the State of Texas.
- RFP issued November 7, 2025 to consider companies to help expand LISD online course offerings. Recommendation will be coming forward to the Board in February.

# Virtual Learning

High school level courses for every student, everywhere.

- Full Virtual Program
- Hybrid Program

Every student's goals, schedule, and learning style are unique, and their pathway should be too. Lewisville ISD offers distinct virtual and hybrid options that allow students to personalize their learning journey, combining purposeful structure with the adaptability students need to balance coursework with extracurriculars, work, family commitments, or accelerated academic plans.

# LISD Everywhere Virtual Options 2026-27

Courses* (Approved by TXVSN)	Hybrid Program	Full-Time Virtual Cohort
<ul style="list-style-type: none"> <li>Students may take up to 3 virtual courses per year.</li> <li>Students may or may not be enrolled in LISD for this option.</li> </ul>	<ul style="list-style-type: none"> <li>Students take more than 3 virtual courses per year.</li> <li>Students will take some in person and some virtual courses.                             <ul style="list-style-type: none"> <li>Depending on scheduling needs, students could be full-time virtual in some semesters.</li> </ul> </li> <li>Students must be enrolled in LISD and remain enrolled at their home campus.</li> </ul>	<ul style="list-style-type: none"> <li>Class of 2030 cohort</li> <li>Pathways that allow students to meet all graduation criteria via virtual courses.</li> <li>Students must be enrolled in LISD and remain enrolled in their home campus.</li> </ul>
<p>Available at all campuses.</p> <p><small>*Option discontinues in 2027-28 and moves to SB 569. TEA has not released details.</small></p>	<p>Available at all campuses.</p>	<p>Available at all campuses.</p>

# Timeline

- Week of December 15 - LISD Everywhere website goes live plus other advertising efforts
- January HS Course Registration window includes the 40 current online offerings
- February: Bring RFP recommendation forward
- February/March: Make additional courses available
- March/May: Adjust any schedules and staffing as needed
