RE: Blanket Approval for PTAB Intervention

DATE: January 9, 2018

Please be advised that the Board of Education approved a blanket PTAB intervention resolution on February 8, 2016. Specifically the resolution states,

“The law firm of Robbins, Schwartz, and Nicolas, Lifton & Taylor, Ltd. is authorized, as of the postmark date of the Board of Review notice, of property tax assessment appeals, to file as legal representative of the Taxing District’s behalf a request to intervene in the property tax assessment appeals.”

Therefore, the December 19, 2017 request for intervention in the 2016 PTAB Joseph Farrales is not necessary.

Please note that intervention is recommended when the total tax refund liability at stake approaches \$10,000. When the refund liability is less than \$10,000, intervention is not recommended because the cost of intervention may exceed refund liability.
