ACTION

BACKGROUND INFORMATION

Board Member Orlando DeHoyos made suggestion at last month's Regular meeting related to modification of donated Memorial statuary at Davidson Gym on the OHS campus.

There was no Action item on last month's agenda for any formal deliberation or action at that time.

Mr. DeHoyos is seeking Board approval to make the requested modifications. Specifically: "Whether or not to approve the painting of the 2 Lion stone figures in school colors, preferably by the current Ozona Art Class, such figures having been donated by the late Rudy Gonzalez and his family in 2007."

ADMINISTRATIVE RECOMMENDATION
