

CBG

EVALUATION OF THE SUPERINTENDENT

Summary

MRSD Board leadership asked if the policy CBG could be reviewed by the committee to possibly change language regarding the every year evaluation of the superintendent. Leadership would like to see it read every other year. OSBA states the language “at least once each year” is optional. Committee is recommending removing it and adding the language “once every other year.”

IKFB

GRADUATION EXERCISES

Summary

There were minor changes in IKFB – Graduation Exercises. The committee reviewed the existing policy and revised as needed. The primary change is the replacement of ‘alternative certificate’ with ‘certificate of attendance’.

JFCEB

PERSONAL ELECTRONIC DEVICES

Summary

The policy committee reviewed the new changes to this policy and the accompanying AR in August 2025. The committee recommended omitting the third item in paragraph 3: “A written exemption is to be provided for the student based on a request received in the AR. School Admin will respond within 10 school days.” The Board approved this policy in August 2025. Our office received a call and email from OSBA regarding this policy. The omitted language is not optional. It must be included in the policy. The committee reviewed this request and recommends adding it back.

JOA

DIRECTORY INFORMATION

Summary

The State Board of Education recently made changes to the rules regarding directory information and student permanent records (OAR 581-021-0220). This update reflects these changes. OSBA will be doing a more comprehensive review of policies related to student records and releasing additional updates in the future. The committee recommends the changes.
