

Food Service Report

Aug, 2019

- The Month been getting the staff back into the swing of things like cleaning, cooking getting more correct with our numbers so we not wasting food or over cooking.
- Also been trying to train a new employee and would like to welcome Jake Duran as the new kitchen aide.
- Going to use a six week menu plan to try save money and time for the program.
- I'm currently working on reimbursements for the month.
- Also working getting bills paid for the month
- Severing about 500 students a day.
- Purchased a new 40 gal kettle for the price 14,000.00
- Also working on a few grants that we received for the school breakfast after the bell and the summer food program hopefully we can have a mobile food truck next summer.
- Also have a couple job openings that need to be filled and I have an employee that is on leave fmla.
