

Babb Board Report-November 2025

1st quarter Attendance Awards & Ice Cream Sundae Celebration

We had 100% parent attendance at our P/T conferences. We also put on a bake sale for our PTO during Election Day.

On November 5th & 7th our students took the MAST assessment and 100% were tested!

On the 13th we went to Pizza Hut for Count Day 100% perfect attendance reward.

On the 19th we had our Family Literacy Night. We played Thanksgiving Bingo.

We are happy to have Kim Tatsey as our counselor this year. Her and our Librarian Andrea Sangray come out every other Wednesday. We appreciate them!

In science we have been studying the Moon and its phases. The students enjoyed looking at the moon at night and then talking about what phase it was the next day during class.

Thank you Homeland Security for your generosity!
