Subject:

Designation of Identified
Official with Authority - MDE

Presenter:

Scott Thielman, Superintendent

SUGGESTED SCHOOL BOARD ACTION:

Recommend approval

DESCRIPTION:

The Minnesota Department of Education (MDE) requires that school districts, charter schools or other organizations annually designate an Identified Official with Authority to comply with State Access Control Security Standard 1.0 which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The Identified Official with Authority will assign job duties and authorize external user's access to MDE secure systems for their local education agency (LEA) or organization.

The Superintendent/Director recommends the Board or equivalent governing board authorize Scott Thielman to act as the Identified Official with Authority for the Buffalo-Hanover-Montrose ISD #877.
