MEMORANDUM

**DATE:** August 8, 2022  
**TO:** Board of Education Members  
**FROM:** Steve Wilt, CSBO  
**RE:** Approval of Consolidated District Plan

---

The Consolidated District Plan (CDP) is submitted annually to get approval to start grant applications for ESEA related funding. This normally includes Title I, II, III, IV and IDEA grants. However, the ESSER funding for COVID-19 is now being included in the CDP. Board approval is required when the application material changes from the last approval date. Since ESSER II and III funding have been added, the application has significantly changed, requiring BOE approval.

Last year, a comprehensive plan was outlined to the Board for the use of ESSER funds in the district. In that plan, the main emphasis was using these funds to address learning loss due to COVID-19. This included investing in a comprehensive intervention program and hiring 7 new staff to help execute this plan. Funding will continue through Sept 2024 to improve academic performance in the district.

**Recommendation:** I am recommending that the Board of Education approve the Consolidated District Plan to access the Federal funds mentioned above.
