The new year has really kicked off well; Our staff is really working hard toward our expectations. They seem to be using the iPads more and more each day.

We have had some new kids come into the high school, but we have lost 5 overall.

The stomach bug has stricken many of our kids; however, we seem to be holding steady in the 95<sup>th</sup> percentile as a campus. Additionally, many of our kids took off early for the Christmas Vacation.

TAKS and EOC are just around the corner. Testing will be in March, April and May.

Softball, baseball and track will be starting before we know it.
