CONTINUOUS IMPROVEMENT PLAN

Idaho Code 33-320:

Each school district and public charter school in Idaho shall develop an annual plan that is part of a continuous focus on improving the student performance of the district or public charter school.

The board of trustees and the superintendent shall collaborate on the plan and engage students, parents, educators and the community as appropriate. The board of directors and the administrator of a public charter school shall collaborate on the plan and engage students, parents, educators and the community as appropriate.

The annual continuous improvement plan shall:

1. Be data driven, specifically in student outcomes and shall include, but not limited to:
 - ✓ Analyses of demographic data
 - ✓ Student achievement and growth data
 - ✓ Graduation rates
 - ✓ College and career readiness
2. Set clear and measurable targets based on student outcomes
3. Include a clearly developed and articulated vision and mission (statement)
4. Include key indicators for monitoring performance
5. Include a report of progress toward the previous year's improvement goals.

The annual continuous improvement plan must be reviewed and updated annually *no later than October 1 each year.*

The board of trustees or the board of directors shall continuously monitor progress toward the goals by utilizing relevant data to measure growth. The progress shall be included in evaluations of the district superintendent or administrator of a public charter school.

The plan must be made available to the public and shall be posted on the school district or charter school website (no later than October 1 each year).
