

**ILLINI CENTRAL MIDDLE SCHOOL BOARD REPORT**  
**October 2024**

**Enrollment as of 9/14/2024**

Month	6th Grade	7th Grade	8th Grade	TOTAL
August	41	49	48	138
September	42	49	48	139

**MTSS**

We are quickly approaching our check-in date for interventions. We anticipate that a handful of our 46 intervention students will show significant growth and be placed out into another WIN or at least be placed on watch for another round of interventions.

**PBIS**

- Students gathered in the gym at the end of September so we could recognize our Student's of the Month for August/September who were chosen for being Responsible. Students chosen were:

Left to Right:  
8th Grade - Sophia Cox  
7th Grade - Levi Redman  
6th Grade - Paxtyn Clark

- The PBIS Team has also planned a 1st quarter incentive to reward students that are passing all of their classes. Those students will be taken to The Arlee to watch Hocus Pocus on the morning of October 31st.
- We will be kicking off our PBIS fundraiser on November 1st. This will help raise money for trips and incentives as well as other schoolwide purchases that benefit the students. This will be an online platform enabling students to set up secure, custom websites where they request donations via email. During the fundraiser, students pay it forward by completing Acts of Kindness for others. Students will spend time serving, not selling! This fundraiser will coordinate with our November PBIS theme of KINDNESS.

**Middle School Parent Night**

We had thorough plans in place for Middle School Parent Night on September 24th. Unfortunately we only had 10 students represented. I am analyzing everything from notifications to clarity of the event to make a plan for next year to bring even more families together after school starts.

### **8th Grade Career Exploration**

The 8th Grade class attended the Career Spark Expo on October 1st. Students were able to enjoy activities, videos, and documents showcasing our region's most critical industry clusters including manufacturing, healthcare, innovation and technology, business and finance, and more.

They will be visiting Lincoln Jr. High for another career fair on November 1st. has been invited to two Career Fairs so far this year. This will be smaller than Career Spark, but LTEC students will be present, so that the 8th Graders can ask questions and start thinking about LTEC classes that might interest them.

### **Coming Soon:**

10/17 Picture Day

10/31 PBIS Trip to Arlee

11/1 8th Grade Career Fair trip to Lincoln Jr. High
