

Facilities Advisory Committee Meeting Recommendations

The Facilities Advisory Committee (FAC) of the Board of Education of District 97 will meet on
Monday October 19, 2020 Via Zoom

At 7:00 p.m.

The FAC Committee met on Monday October 19, 2020. Chairmen Paul May is resigning. Another member has agreed to stay for the remainder of this calendar year. FAC will seek to recruit new members.

Recommendation:

- 1) FAC unanimously recommended that Bulley & Andrews split the bidding for Summer 2021 into two packages. The first would be for the entirety of the work at all buildings. The second would be to bid Beye separately from the other schools, and to bid the remaining schools together. FAC believes this might find cost savings.

FAC also agreed to form a work group to re-evaluate the current Capital Plan's post referendum dollars projects.
