Notes: In June, I shared with the Board that we will be using a new form at all campuses to assist with parent concerns. The form below will also include a way to track the type of concerns we are fielding by campus. Data will be shared with the Board at the conclusion of each semester. The parent concern procedures will be posted on the District web page beginning in early August.

E. Invitation- Administrative Staff Meetings- Administrative staff meetings are held the Wednesday following a Board meeting beginning at 8:30 AM in the Walsh Room. These

meetings are attended by principals, directors and other administrative staff to assist with district-wide communication and coordination. I am inviting two Board members to attend these meetings Sept-Dec. It is entirely voluntary but is a way to observe my leadership style and interaction with staff.

F. Make Education a Priority Update- Stay tuned for release of upcoming promotional film.
