The Arts Commission members along with Public Works Director Alan Soderling and Public Works Technician Dan Hall walked along Government Way between Hayden Avenue and Centa Avenue to identify ideal locations for benches to be installed as part of the *Come Together* bench program. Ideal locations consisted of areas within the City of Hayden right-of-way or potential partnership with adjacent business with adequate space for a bench without impeding the normal flow of pedestrian traffic on the sidewalk. - Hayden Senior Center (previous) – Grass area behind sidewalk north of parking lot
- Kaffee Meister – In front of wall close to Orchard Avenue
- Dusk & Dawn – north of artwork
