Re: Credit donation from the Wantman estate

On June 4, 2019, Elissa Weissbrod, daughter of Walter and Carol Wantman, presented me with a credit slip to Dillon Music in Woodbridge, New Jersey. This was part of the liquidation of the Wantman's assets and deemed a donation to the New Fairfield High School's band program. Carol was a teacher in the World Language Department and Walter was an accomplished musician, who donated his time in the past during spring musicals here at the high school.

Per board of education policy, I am requesting that this donation be accepted in memory of Carol and Walter Wantman. The donation may be used for any appropriate material for the band program. Acknowledgement should be sent to:

Susan Yules <Syules55@gmail.com>

Elissa Weissbrod <wantmane@gmail.com>

and the New Fairfield High School principal.

Please let me know if you have any questions or concerns.

Hi - I spoke to a manager at Dillon Music Store and explained about the credit donation made to us by Elissa Weissbrod who is the daughter of Carole and Walter Wantman. He did confirm the account and said he would be happy to work with us for whatever our needs are. He is also going to be giving us school prices for items. Dillon Music is a very large company that deals with both international and national vendors. They only carry wind instruments. When we order items, we will have it applied against Elissa Weissbrod's account. He was very nice. I have both his e-mail and direct line number. Once this gets approved, I will have Deanna call him and he will work with her to get what she needs, and I will do the ordering. I will send you down a copy of the Account Receipt for you to present to the BOE.
