

Development Plan

Currently we are using the land for our sports complex. This complex includes our baseball field, cross country course, football field, and our track/field.

We have a few buildings and storage areas within the complex. Listed below is what we currently have.

- Field flood lighting system
- Wellhouse for irrigation
- Announcer booth
- Restrooms
- Football storage
- Track storage
- Parking lot
- Staircase leading down to the track
- Bleachers x5
- Baseball storage
- Southern border fence for baseball field
- Baseball batting cage
- Dugout x2

25 Year Plan

- Update announcer booth/restrooms
- Terrace the hillside
- Resurface track
- Add lighting to baseball field
- Adding onto our current cross country course
- Paving the entrance road going down into the complex
