Re: Property Update

The following is an update on our school buildings:

Bradley

A broken window was repaired in a classroom

Major boiler repair completed

3 roof fans repaired

All heating systems have had maintenance and have been tested. They are ready for the season.

Irving

Seven emergency lights were replaced.

All heating systems have had maintenance and have been tested. They are ready for the season.

Derby High School

Roof fans have been checked and repaired.

Derby Middle School

All heating systems have had maintenance and have been tested. They are ready for the season.

Filters have been changed.

Respectfully submitted by,

David M. Nardone,

Facilities Manager
