Bylaws of the Board

Methods of Operation

The Woodbridge Board of Education shall concern itself only with broad questions of policy and not with administrative details. The Board shall rely upon the Superintendent to recommend policies for adoption and to administer policies enacted by the Board. Such policies shall be broad enough to indicate a line of action to be taken by the Superintendent in meeting a number of situations and potential problems. Application of such policies to individual cases is an administrative function to be performed by the Superintendent.
