

## Recommendation for the District Wide Stipend

2016-2017

I am providing the information about the District Wide Stipend for the 2016-2107 school year. We currently have 152 total employees. The budget is very conservative this school year. I would like for the district to continue this District Wide Stipend. We have been giving this stipend for about 12 years. The stipend has ranged from \$200.00 to \$800.00 during the past 12 years. I recommend a District Wide Stipend of \$200.00 for the 2016-2017 school year. We would disperse this stipend on the regular December Payroll. The total cost of this stipend would be \$30,400.00.

\*"I move to approve a District Wide Stipend of \$200.00 for all district employees."

This motion requires a second and a majority vote.
