Dear Dr. Veitenheimer:

Every organization relies on the collective strength of its members to succeed. The Texas Association of School Boards (TASB) is blessed to represent an incredible group of education leaders who truly care about their schools and communities. And while we realize that districts today face many challenges, our united voice for public education will keep the focus on what is best for our childrens' future.

Service to local schools and the millions of students in their care is the cornerstone of all Association activities, and I want to express my sincere appreciation for your districts' continued commitment to TASB. With the start of the regular legislative session, your vigilance will never be more critical.

Serving as advocates for our members is TASB's number-one priority. With your boards' involvement and participation in TASB, we can be most effective in achieving our goals. To that end we hope you will renew your membership in TASB for 2007.

In 2006, your district participated in the following TASB programs:

BoardBook
First Public
Legal Assistance Fund
Policy On Line
School Board Advocacy Network

BuyBoard
Human Resource Services
Lone Star Investment Pool
Policy Service

Enclosed is a brochure detailing the association's major programs and services, along with your district's invoices for TASB annual dues and the Legal Assistance Fund annual membership fee. If you need more information about any of these programs, visit our Web site at www.tasb.org or call 800-580-8272. The December *Texas Lone Star* will also feature highlights of the year's activities.

Through shared goals and a collective voice, we can move forward in the difficult times ahead. On behalf of the TASB Board and staff, I extend my best wishes for the coming new year and thank you for your steadfast dedication to our public schools.

Sincerely,
