Re: Modular Wall Purchase – Randolph

I am requesting that the modular wall purchase for Randolph Elementary be placed on the agenda for the November 13, 2023, Committee of the Whole meeting. I am recommending the purchase of two modular wall systems from Interior Environments in the amount of \$35,793.66, which includes freight and installation. Randolph has a need for some additional space and this furniture purchase will create two new spaces for staff to work alone or with a small group of students. One modular space will measure 8ft x 8ft and the other will be 10ft x 10ft.

Please contact me if you have questions. Thank you.
