Good morning Sherie,

I am not getting a response from Everett I assume he is super busy. I had talked with Corrina this morning and had let her know I am having a hard time finding a baby sitter for my children with the pandemic going on it's putting me in a bind.

I figured it would be best to not take the job so Everett can find someone to step in and help him instead of waiting for me to get a baby sitter which may take me a while. I am sorry for any inconvenience it may have caused. I have utilized all my resources and at this point have no other way to turn or anyone to ask for help as everyone is working who are willing to watch my kids. I had a sitter set and in place Mon-Fri normal working hours but nobody willing to work with the extensive hours per activities.

Once again, I am sorry for any inconvenience.

Thank you, Jaycilyn Racine
