SUBJECT: PRESENTATION OF AND REQUEST FOR APPROVAL OF THE 2019-2020 ECISD DISTRICT IMPROVEMENT PLAN

DATE: April 16, 2019

The Board is required to adopt the District Improvement Plan annually. Our team started with a Comprehensive Needs Assessment using trend data in all areas of the district. The District Improvement Plan was then built to address the needs identified through that process. Following approval of the plan, campus principals will be trained on the process and develop their plans June-August, and they will be brought to the Board for approval in September.

Administrative Recommendation:

Approval of the 2019-2020 ECISD District Improvement Plan as presented
