Background Check Policy and Procedure

Purpose

The purpose of this policy is to ensure the safety of all children that participate in Second Harvest Northern Lakes Food Bank's Backpack Program. Further, careful screening of staff and volunteers who work with children is an important risk management precaution.

Policy

Site management must ensure that all staff and volunteers at your site who have "direct repetitive contact with children" undergo a *Background Check*.

Some examples of who is required to have a background search performed:

- ✓ Staff who work directly with the kids in the program daily
- ✓ Volunteers who work directly with the kids in the program daily
- ✓ Anyone who has ongoing, frequent or recurring interactions with or around the kids who participate in the program (e.g. once each week or several times over the course of a summer)

Participants must limit the volunteer involvement of any one-time or non-regular volunteer who has not been subject to a background check strictly to open and supervised activities. A child should never be alone with a single staff member or volunteer.

Fingerprint checks are also a volunteer screening best practice. Some states require youth-serving organizations to inform all potential volunteers that they may be required to be fingerprinted, whether or not the organization intends to conduct a fingerprint check.

Second Harvest Northern Lakes Food Bank reserves the right to see proof of completed background checks on program staff and volunteers during routine site inspections.

Background Check Policy and Procedure

Purpose

The purpose of this policy is to ensure the safety of all children that participate in Second Harvest Northern Lakes Food Bank's BackPack Program. Further, careful screening of staff and volunteers who work with children is an important risk management precaution.

Policy

Site management must ensure that all staff and volunteers at your site who have "direct repetitive contact with children" undergo a *Background Check*.

Some examples of **who is required to have** a background search performed:

- ✓ Staff who work directly with the kids in the program daily
- ✓ Volunteers who work directly with the kids in the program daily
- ✓ Anyone who has ongoing, frequent or recurring interactions with or around the kids who participate in the program (e.g. once each week or several times over the course of a summer)

Participants must limit the volunteer involvement of any one-time or non-regular volunteer who has not been subject to a background check strictly to open and supervised activities. A child should never be alone with a single staff member or volunteer.

Fingerprint checks are also a volunteer screening best practice. Some states require youth-serving organizations to inform all potential volunteers that they may be required to be fingerprinted, whether or not the organization intends to conduct a fingerprint check.

Second Harvest Northern Lakes Food Bank reserves the right to see proof of completed background checks on program staff and volunteers during routine site inspections.
