

Executive Summary
Prepared for Board of Trustees Meeting
August 26, 2008

Annual Health Services/SHAC Report

Board Goal: required report for SHAC/School Health Services

Purpose of Report:

To inform the board of the activities from the health services department and the state-mandated School Health Advisory Committee (SHAC)

Objectives (One sentence, bulleted statements of the objectives of the programs or activity for which the report is written)

- correlate the health services department activities during last school year to the 07-08 Board Goals
- meet the state requirements for board reports/recommendations from the SHAC

Operational Impact - none; given the present budget status, we will not be requesting additional resources/funds

Results -increased awareness of the board regarding student and employee health and wellness as it relates to the health services department and an opportunity to ask questions or for clarification of the described activities
