On behalf of our Family Resource Programs, I would like to sincerely thank you for your generous **donation of fruit** to support our students and families. Words cannot fully express how much this gift means to our school community.

Each day, our students face challenges—whether in school, at home, or in their relationships—that can make their lives feel uncertain. Something as simple as receiving a bag of food, a shirt, or a pair of shoes can bring them comfort and relief. When a student expresses gratitude for these items, it is a powerful reminder of the impact that kindness and generosity can have.

Our community faces significant poverty and homelessness, and those struggles inevitably affect our schools. Thanks to your generosity, we are able to provide students and their families with much-needed resources. The difference you are making is tangible, and both our students and staff are deeply grateful.

I have enclosed our Family Resource Flyer, which outlines the support we offer. While the needs in our community are great, your compassion and willingness to help are even greater. Because of your support, more students will have their basic needs met, giving them a stronger foundation to succeed in school and in life.

We are truly fortunate to have caring partners like you, who recognize that meeting students' most fundamental needs is essential to helping them reach their full potential. Thank you again for your generosity and commitment to our students.

Warm Regards,

Jen Hopkins
