### **Attendance at Meetings via Electronic Communications**

Consistent with Connecticut Public Act 22-3, the Board of Education may conduct its meetings solely or in part by means of electronic equipment. If a meeting being conducted by means of electronic equipment is interrupted by the failure, disconnection, or, in the Chairperson's determination, unacceptable degradation of the electronic means of conducting a meeting, or if a member necessary to form a quorum loses the ability to participate because of the interruption, failure, or degradation of such member's connection by electronic equipment, the Board may, not less than thirty minutes and nor more than two hours from the time of the interruption or the Chairperson's determination, resume the meeting (1) in person, if a quorum is present in person; or (2) if a quorum is restored by means of electronic equipment, solely or in part by such electronic equipment. In each case of resumption of such meeting, electronic access shall be restored to the public if such capability has been restored. The Board shall, if practicable, post a notification on the District website and inform attendees by electronic transmission of the expected time of resumption or of the adjournment or postponement of the meeting, as applicable, and may announce at the beginning of any meeting what preplanned procedures are in place for resumption of a meeting in the event of an interruption as described herein.

Consistent with Connecticut Public Act 22-3, any member of the Board of Education may participate in any meeting by means of electronic equipment, except that the Board is not required to adjourn or postpone a meeting if the member loses the ability to participate because of an interruption, failure, or degradation of that member's connection by electronic equipment, unless the member's participation is necessary to form a quorum. This provision shall not apply to an executive session or special meeting unless the Board member has received advance permission from the Chairperson.

Minutes of all meetings shall specify if a member was physically present or present electronically.

When a member attends a meeting electronically, all votes shall be by roll call vote unless the vote is unanimous. A member who is attending electronically must identify himself/herself by name and be recognized by the Chairperson before speaking.
