

ACTION ITEM FOR BOARD OF REGENTS MEETING
LEE COLLEGE DISTRICT

Meeting Date: December 18, 2025

AGENDA ITEM: Consideration of DataVox Contract for Campus Wireless Upgrade

The Administration recommends that the Board authorize the President or her designee to negotiate final terms and approve DataVox Corporation for upgrade of the campus wireless controllers and access points for a total of \$154,785.75.

Proposal is within Budgetary Allocations

**Jacob Atkin, Chief Financial Officer and
Vice President, Finance**

Detail

As part of I.T. strategic initiatives to ensure the campus wireless network is upgraded to the latest standard, and to ensure the network can handle the increasing demands of high-bandwidth technologies (AI, AR/VR, and IoT), the college partners with DataVox Corporation for the wireless upgrade project. The new wireless infrastructure offers significantly improved speed, capacity, efficiency, and security compared to older standards, providing a reliable and secure foundation for growth through 2026 and beyond. This contract is through the State of Texas Department of Information Resources (“DIR”) purchasing contract DIR-CPO-5347.
