The Brownwood Lady Lion Volleyball program completed the year 6-26 overall and 0-8 in district play. Although this is not the outcome we had hoped for this season, the record did not demonstrate the growth in the program. We learned a lot and have high expectations for this coming season. We had 36 athletes in the program and anticipate more this coming season.

2023-34 End of Year Report
Fall Team Tennis/Spring Individual Tennis

Brownwood Tennis had another successful Team Tennis season last fall. We had an overall record of 10-6, losing only one district match. Brownwood ended up in a three-way tie for first place in district, however we became the 3 seed in the post-season after we counted up total matches won. Brownwood lost to Lampasas 7-12 and beat Stephenville 11-8. Had we won a couple more matches against each school, we would have been the 1 seed or the outright district champ. I think it was a good lesson for the tennis team, because when we tell the players “every match counts” – it really does. Our goal next year is to fight for as many of the 19 matches played during a dual match as possible, regardless if we win or lose.

The Spring Individual season was tough. We met high level 4A teams from other regions, and even a few 5A and 6A programs at some of our tournaments. By the time the district tournament rolled around, the struggle had paid off. The Boys Team were the overall District Champs picking up points for the following:

River Prado – Boys Singles Champion

Calen Dietlin and Blake Hutchins – 2nd Place Boys Double

Eric Smith – 3rd Place Boys Single

Trine Baugh and Ihana Figueroa – 3rd Place Mixed Doubles

Emma Delgado and Raylei Hickey placed 2nd in Girls Doubles and advanced to Regionals with River, Caleb and Blake. At the regional tournament, Caleb and Blake lost in the quarterfinals, Emma and Raylei lost in the semifinals, and River won 3rd Place. All of our 2nd and 3rd place finishes at the district tournament were hard fought, but we believe all of those players could have placed a spot higher. Our goal next year is to get more players to Regionals. In 2025, the UIL has changed the advancement to State to include the 3rd Place finisher, so there is a greater incentive to play that tournament well.

Brownwood Tennis also worked hard in the classroom, as we had 11 student-athletes recognized for Academic All-District. Emma Delgado was one of those, and also the Salutatorian for the Class of 2024. For someone as soft-spoken, shy and afraid of public speaking as she was, I thought she did an incredible job delivering her speech at graduation.

Last but not least, we are incredibly thankful for the new tennis facility. The players, parents and fans love it. Many thanks to Tammy Gray and all of those involved in the planning and execution of that project.

Our Varsity Boys Basketball team ended the year with an overall record of 10-24 and an 0-8 district record. There were 12 members of the varsity team, 12 on the junior varsity, and 19 on the freshman team.

The Junior Varsity Lady Lions went 20-5 on the season. They finished as District 6-4A Champions. They were runners up of the Hamilton and Dublin Tournament.

The freshmen were 9-10 on the year. They were runners up at the Zephyr JV Tournament. Competed well while filling an entire schedule due to our District opponents not having a freshman team.

Powerlifting:

The boys had a successful season, competing in three meets up until the regional meet. 22 different boys competed in at least one meet, with most competing in at least two meets. As a team we placed 1st at all three meets. We had 12 lifters qualify for the regional meet with 3 boys moving on to the state meet. At state we had 2 boys place in the top five in their respective weight classes. I expect our powerlifting numbers to continue to grow and our success to follow suite.

The girls team also had a successful season with our number rising from 12 to 15 lifters. The girls competed in the same three meets as the boys. 6 girls qualified for the regional meet.

I expect our powerlifting numbers to continue to grow and our success to follow suite.

Brownwood Lady Lion Softball 2023
End Of Year Report

Varsity - The Brownwood Lady Lion Softball program finished off the year 10-14 overall and 4-4 in district. The Lady Lions finished District 6-4A in 4th place. In Bi-District Playoffs, the Lady Lions faced 1st seed, Texas 4A 10th ranked Snyder Tigers who went on to defeat Decatur in Area and ultimately lost to Burckburnett in Regional play. The Lady Lions lost to Snyder (1-11, 4-14) in Bi-District ending their season. The Lady Lions faced some adversity early on with the loss of 5 graduating seniors in 2023, the loss of their starting short-stop to relocation, and a knee injury to their varsity pitcher. With said challenges ahead of them, the Lady Lions continued to build and grow their program and look to finish stronger in district/playoff play in future seasons.

JV - Our Junior Varsity team finished the season with a record of 8-8 (4-4 in district). These ladies doubled their wins from the previous season and played in the first JV tournament the Brownwood Lady Lion Softball program has attended in a very long time. This was an awesome experience for these girls, and they finished the tournament 1-1-1. They hope to continue to grow both their skills and their numbers as years progress.

The softball program started off the year with 25 athletes and finished the year with 26 athletes.

PROGRAM RECORD 46-22-4

Varsity finished with an 11-1 District 6-4A record and a DISTRICT CHAMPIONSHIP. The Team had a **4-game** lead over second place Stephenville.

JV Maroon and JV White competed at a high level, with several Maroon Team guys getting chances to play in Varsity games. The JV White started slow but finished with a winning record, and worked alongside the Varsity, gaining valuable experience along the way.

We work all of our players together, while running bull pens for each level throughout each day. We conclude many of our early season practices putting stress on our players on each level with game like scenarios. The opportunity for growth is high, and our youngest players can watch and emulate what our older players are doing, all the while getting valuable instruction from ALL of our coaches.

The practice segments have gained attention from many coaches around the state.
