November

Greetings Evergreen Families,

Happy Fall-

Can you believe that the first quarter has already come to an end. I have enjoyed seeing your students in their classrooms, and all the hard work they have been putting in.

Fall offers many opportunities to turn everyday items into learning opportunities. For example, counting leaves that have fallen with your kindergarten gives them practice and gets them outside. For students in grades 1 and 2: categorizing leaves by color and creating number sentences is a great way to include real life to their everyday math, "How many more red leaves are there than yellow and brown?" You can increase the difficulty with ability. For students in grades 3 and 4, create curiosity by looking up science facts about changes in weather, and why leaves drop.

Resources like Mystery Science give parents a free subscription for the school year.

Please continue to read with your child nightly. I also want to take this opportunity to remind parents to fill out the District Volunteer information form. It takes several days to clear, so the sooner the better. This will allow you on field trips and on our campus for assisting with upcoming events. Continue to keep your eyes on our calendar and Parent Square for details about school opportunities.

Please note, we are not opening up our cafeteria to families for holiday meals at this time.

Sincerely,
Jenny Jones
Principal

**Conferences
will be held the first
week of November
Reminder:**

Electronic Devices should not come to school.

If you are interested in volunteering, for field trips or in classrooms, you must first complete a background check with the district office.

There are no sports affiliated with Evergreen Elementary, some practices are held on campus, though.

This Month

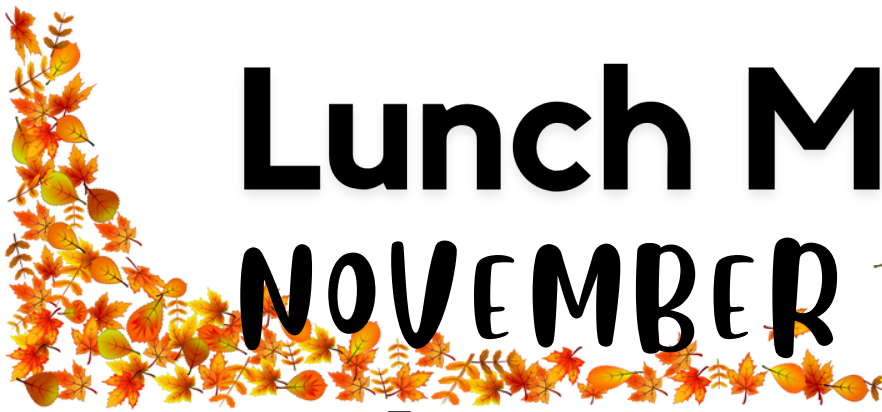

- **Nov 1st: Picture Retakes**
- **Nov 6th: Daylight Savings, Set clocks back one hour**
