

Browning Public Schools

Home of the Browning Indians!

BNAS committee

The BNAS Committee is purchasing art/craft items for the teachers and for Youth and Family Engagement projects. Projects include; small hand drums, beaded necklaces (elementary), dream catchers, beaded pouches and smudging kits. Teachers will add directions for the project with a list of Blackfoot phrases and terms in the packet.

Wellness

Committee Mtg.

We have the \$75,587.76 amount for wellness equipment to be in each building on this agenda for approval. Each building/department will receive an elliptical, a bike, and a treadmill. We are planning now for distribution of equipment and staff training, and looking at physical fitness for our students as well.

Strategic Plan Update

Cultural Life Skills and the wellness committee

met in August and have developed a plan going forward. They created a medicine wheel for health and wellness. They will continue throughout the year.

Trauma

Invested For social emotional support BPS counselors are checking on students and doing home visits, delivering food baskets, books, and wellness assessments.

Community Involvement

for students/to correlate with their interests

Next steps: create survey and disseminate: begin working on getting our kids involved in more events based on their interests during both distance learning and blended learning when it goes into place.

Construction UPDATE:

Browning Middle School - The teachers are working on getting their classrooms in order. In the addition they are adding cameras and clocks in the gym. The flooring guys will be in on Monday to put up their thresholds. Wind break will be installed behind the kitchen.

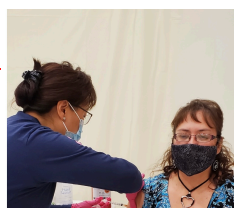

I am assured that everything should be up and running by February 1, 2021.

The Sports Complex construction has been on hold while the Browning Middle School gets finished. Sletten will begin framing the concession building and then the grandstand, the multi-pad sport court pad. The outdoor volleyball court needs to be re-sanded and finished this spring.

DREAMS REALLY DO COME TRUE....

A shout out to Cinnamon Crawford, Kim DesRosier and Charlene Whitequills for their help with COVID-19 testing and Vaccinations!

BPS begins vaccinations in conjunction with Blackfeet Tribe and IHS.

COVID-19 Vaccinations for BPS!

Huge shout-out to all those individuals who have been working in house since March to help keep our district running smooth, making sure our students are fed, educated, and have worked to provide a safe environment for ALL!
Thank you!

Mission Browning Public Schools works with all stakeholders – families, students, staff, trustees and community – to provide a high quality, culturally diverse education for all our children using guidance, teaching, and support through collaboration and communication.

VISION Browning Public Schools is a safe environment that teaches personal and community wellness and provides support and strategies for overcoming adversity. **In Browning Public Schools, we are free to teach and learn successfully. We instill and develop respect and pride for self, family, school, community, our environment and all cultures through service to others. We model hard work and personal accountability through humility and dedication – demonstrating that these values are the responsibility of all. We cultivate and nurture strong partnerships with the community to build citizens who have a sense of place, respect for Mother Earth, and an understanding of the rights and responsibilities of, and to, all people in all communities.**
